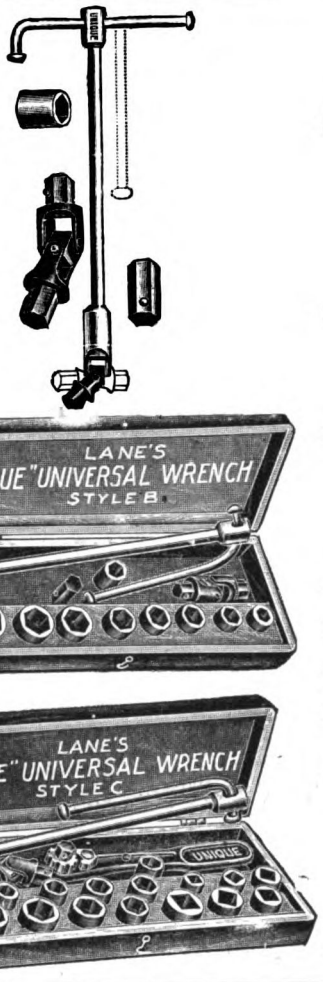
A New Addition To The Famous "Unique" Socket Wrench Sets



"LANE'S UNIQUE TOOLS"

Style "A"—Unique Universal Socket Wrench. Takes all sockets of Lane's "Unique" Ratchet Sets. Machine made throughout from cold rolled steel. All wearing surfaces hardened. Can be used as a Tee handle or Flexible Wrench.

Style "B"—Unique Universal Socket Wrench Set. The equivalent of eight Tee handle and eight Flexible Wrenches. Interchangeable in two seconds.

Style "C"—Unique Universal Socket Wrench Set. Has eight hexagon and six square sockets. Reversible Ratchet Wrench, and Interchangeable Universal Wrench.

The Sockets in all "UNIQUE" Wrench Sets have broached openings.

The Sockets in all "UNIQUE" Wrench Sets are turned from round bar.

Lane's "UNIQUE" Tools are made to wear—not repair.
